## Certificate

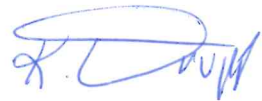

### Alina Jorayeva

gave me professional support on 1th of March, 2020, during the study guidance for the study programs of SRH Universities in Germany in English and Russian at the Begin Grad Fair in St. Petersburg. After a short introduction to our more than 150 study programs in German and English taught, Ms. Jorayeva was able to answer the questions of prospective students independently and very professionally in Russian and English.

I am very grateful for her great commitment and wish her all the best for the future.
