REFERENCE LETTER

for the graduating student of the Astrakhan State University,
the faculty of the World Economics and Management

Ms. Mary Johnson

In 2011 Ms. Mary Johnson (13.09.1993) entered the Astrakhan State University on the specialization «Economics».

Within the educational period she coped with the study program at "good" and "satisfactory". She is a conscientious and decent student with a well-developed critical and creative thinking. During her studies she has mastered two foreign languages: English and Chinese. Ms. Mary Johnson successfully double-jobbed as a student at the faculty of the World Economics and Management and a trainee of additional study program "Interpreter/translator in the sphere of professional communication, the Chinese language".

Ms. Mary Johnson may be characterized as a responsible, well-mannered and responsive person.

She has professional skills which provide the required level of competence in solving professional problems.

In June 2015 Ms. Mary Johnson successfully passed the State Final Examination with a bachelor's degree.

Reference letter is given in order to continue studies at the educational institution on the next level.
