

# Dilafruz Gadoeva

## General and Medical Translator

*I can translate from English ( my level is intermediate) to Russian (spoken, written and reading level is fluent), from English to Uzbek (my native language) and from Russian to Uzbek, Uzbek to the Russian language. I have a bachelor degree in medicine.*

### Education

From Sept.  
2010 to  
Jun. 2017

**Bachelor degree / Tashkent Medical Academy**  
Uzbekistan

I am a General Practitioner in medicine

### Work experience

Since Feb.  
2010

**Translator / Freelance** Tashkent, Uzbekistan

- 2010 - started working in Scientific Research Institute of Mechanics as a translator of a book about high math.
- 2012 -during my study I started teaching the Russian language to students Uzbek nationality.
- 2015 - I participated on 1st Congress of European Academy of Neurology with my poster.
- 2016 - I started to translate all types of documents including medical sick-lists, instruction of medications, dissertations, and other ones.
- 2017 - still now I translate documents about culture, medicine, legal documents, and others. I've recently translated dissertation work for a doctor of medical sciences degree on the title "Methods of treatment of hepatitis". I work fast and quality.
