**We cover the whole globe
with our services**

You can be sure in the translation quality:

01

We save all details in the base, so they are accessible any time;

02

We select specialized and qualified experts;

03

We do text translation and initial editing;

04

Proofreading by an in-house translator-editor is a secondary editing;

05

Correction enables us to check that all extra spaces are removed. **It influences the price**

06

We format and perform DTP to make a file 1:1 with the original.
